

Housing

MARCH 2016

Brooklyn Community Housing and Services

To support a coordinator for mentally ill veterans housed by the agency, and to provide a broader community of veterans with an employment program (\$50,000).

Family Guidance Center

For a part-time Psychiatric Nurse Practitioner to offer services at a domestic violence shelter (\$50,000).

Mercy Haven

For general operating support of this agency offering supportive housing for the mentally ill in Nassau and Suffolk Counties, Long Island (\$50,000).

Project Renewal

For expansion of occupational therapy services at three of the agency's transitional housing sites so that mentally ill clients will learn daily living skills and achieve stable housing (\$91,000 over two years).

JUNE 2016

Breaking Ground

For a psychiatrist one day per week to serve tenants in 112 scattered-site units, and training for case workers (\$160,000 over two years).

Housing and Services

For on-site psychiatric services eight hours a week at Kenmore Hall, which has 325 units for the chronically homeless (\$116,000 over two years).

Transitional Services for New York

For the purchase of two new sedans and one new minivan to transport mentally ill clients to medical appointments and for shopping and recreational outings (\$50,000).

Housing

NOVEMBER 2016

Women's Community Revitalization Project

For the Tenant Services Support Program, which provides case management, physical and mental health screenings, and referrals for low-income families in Philadelphia (\$50,000).

APRIL 2017

Lutheran Settlement House

To support a Licensed Clinical Social Worker providing Prolonged Exposure Therapy (PE) to mothers coping with the overwhelming stress of poverty, violence and homelessness (\$110,000 over two years).

Partnership for the Homeless

For support of on-site mental health assessments and services in East New York, Brooklyn to develop new models that better serve individuals and families at risk of homelessness or those who are already without a home (\$50,000 over two years).

Supportive Housing Network of New York

Renewed advocacy support to ensure that the 35,000 proposed supportive housing units across New York State are actually funded and built, and to cap for-profit participation in supportive housing development under state programs at 20% (\$150,000 over two years).
