

Recent Immigrants

MARCH 2016

Women for Afghan Women

For operating support of this agency which offers domestic violence counseling, ESL and Drivers' Ed classes, day care, after-school tutoring and girls' leadership training to immigrant women and their families (\$50,000 over two years).

NOVEMBER 2016

Northern Manhattan Improvement Corporation

For launch of "Connections to Care," which matches community-based organizations with more traditional mental health service providers to better address needs of immigrant communities in northern Manhattan (\$100,000 over two years).

APRIL 2017

African Services Committee

For culturally competent support of co-located immigrant mental health and legal services to African immigrants at risk of HIV, many of whom are LGBTQ, in New York City (\$50,000 over two years).

Refugee and Immigrant Fund

For programs that serve newly arrived asylum seekers in New York City, and to expand their advocacy initiative to create citizen-led sanctuaries for refugees (\$60,000 over two years).

NOVEMBER 2017

Children's Health Fund

For renewed support of Terra Firma, which provides mental health services to "Unaccompanied Immigrant Children," as well as a new component assisting "Adults with Children" seeking asylum (\$150,000 over two years).

Make the Road New York

To support a more holistic, community-based approach to the mental health needs of immigrant communities in crisis (\$100,000 over two years).
